2.6 Evaluation Findings and Certificate Statement

Subject to the limitations outlined in section *2.7– Disclaimer*, Enex TestLab certifies that the StellaV gaming platform complies with all applicable requirements of the set of standards listed above.

Accordingly, Enex TestLab certifies the StellaV platform, as identified in section *3 – System Identification,* for operation in the UK, Alderney and the IoM.

2.7 Disclaimer

Enex TestLab certification of Eyecon's products is subject to the following:

- There are unavoidable limitations inherent to performing evaluations within a laboratory environment. It is not possible to verify the effects of all potential configurations and environments that may occur in the production environment.
