RE: Change of Game Name – Temple of Isis to Temple of Iris

Temple of Isis game has undergone a change of game name (from “Temple of Isis” to “Temple of Iris”). Please refer to sample screenshots at the end of this document, illustrating the changes.

iTech Labs believe that this change is classified as a minor change and a formal re-certification is therefore not required.

Affected game variants and their latest certification references are described in the table below.

Previous Game Name	Latest Certification Ref	New Game Name
