IT AINT OVER TILL IT'S CLOVER!

SLOT

Introducing the latest game in the Clover Rollover series, **Clover Rollover StarTrail**. This game sees the combination of the player favourite Clover Rollover theme with our 9 symbol StarTrail mechanic. Featuring our all new Bet+ feature, players can boost their chances of winning on the prize ladder, this with the Free Games feature where all prizes are either doubled or tripled, players will be clover the moon!

FEATURES

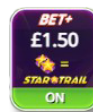

STARTRAIL FEATURE

Triggered by 3 or more star symbols, players are awarded prizes based on the number of star symbols that appear on the reels.

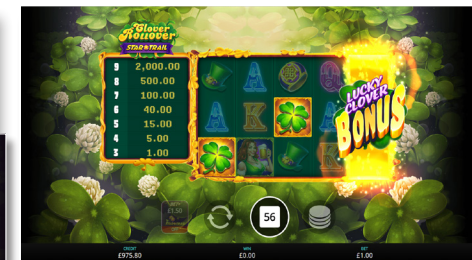

BET+ FEATURE

With our new Bet+ feature players can boost their bet to reduce the number of stars needed to trigger the StarTrail feature to just 2.

FREE GAMES

Triggered by 3 Clover symbols anywhere on reels 1, 3 and 5. Number of Free Games awarded and multiplier applied, including to the prize ladder, is decided by a wheel, which can be re-triggered during Free Games to award even more Free Games!

LUCKY CLOVER

Triggered at random on a losing spin, a reel can re-spin to trigger Free Games or a StarTrail win.
