UP TO 117,649 MEGAWAYS™

CASCADES & MULTIPLIERS

In a cascade, all symbols involved in a way wins explode and disappear. Those symbols are replaced by symbols coming down from above on the reels and from right on the Carousel.

The **Win Multiplier** starts at x1 for each spin and increases after each cascade until there are no more way wins.

FREE GAMES

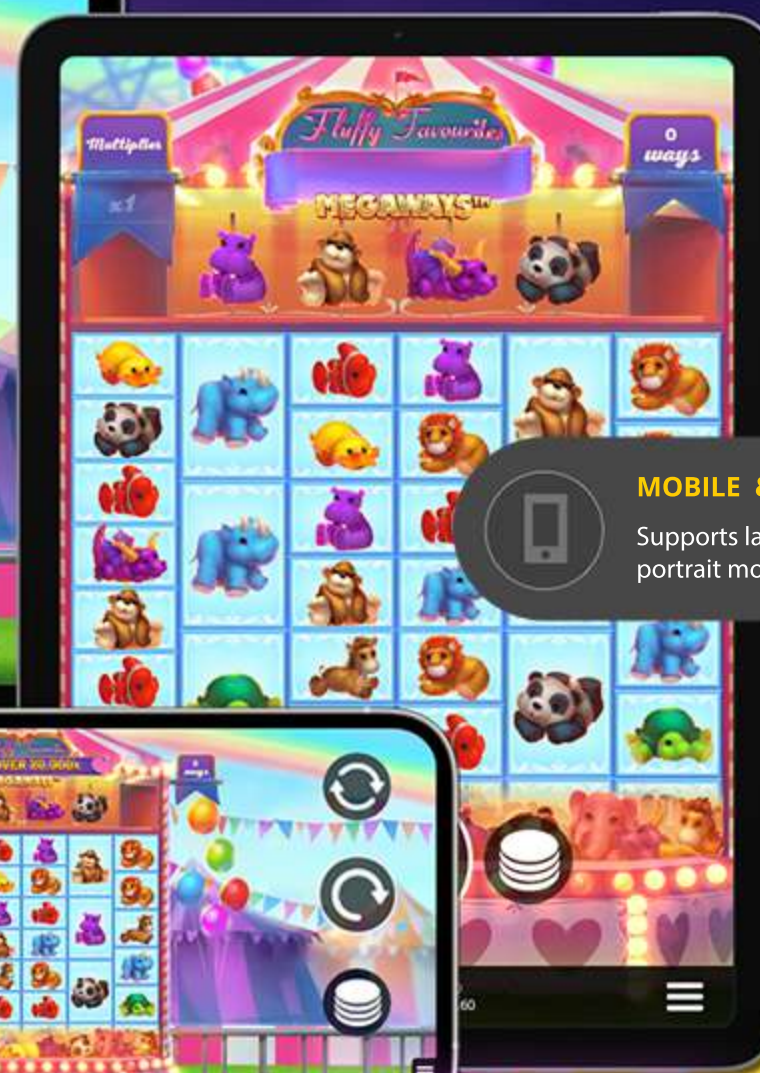

3 Scatters trigger 9 Free Games. Every additional Scatter awards 3 free games.

Scatter

During Free Games the **Win Multiplier** starts at 1 and is increased by 1 after each cascade. After cascades, every scattered Elephant symbol awards 2 additional free games.

Free Games are played using the same wager as the triggering game.

MOBILE & TABLET

Supports landscape and portrait modes!

SUBSTITUTE & WILD MULTIPLIER

The Claw symbol substitutes for all other symbols except scattered Elephant symbols.

The Claw symbol appears on the Carousel only.

When the Claw symbol is involved in a winning combination, it will descend to pick up a random **Wild Multiplier** and return to the Carousel.

The random **Wild Multiplier** has a value from 1 to 5
