RELEASE DATE

## FLUFFY IS BACK!

SLOT

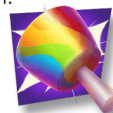

Eyecon is proud to release the next instalment in our ground-breaking Fluffy series, Whack-A-Fluffy! All your favourite characters are back but there is a twist! They've traded the toy claw for a rubber mallet in this fun take on a classic carnival game. The entertainment doesn't stop there, as the fairground is still full of Free Games and our crowd pleaser - the chance to win up to 100x your bet!

## FEATURES

### WHACK-A-FLUFFY FEATURE

Three or more scattered Mallet symbols trigger the Whack-A-Fluffy feature. One pick is awarded for each Mallet symbol.

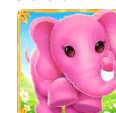

### FREE GAMES

3, 4 or 5 scattered Elephant symbols trigger 15, 20 or 25 Free Games respectively. Prizes are tripled in Free Games.

### WILD

The Elephant symbol substitutes for all symbols except the Mallet. Prizes are doubled when the elephant symbol is included in a line win.

Overall Game Hit Rate:	1 in 2,393
Max Exposure:	5,000x
Volatility:	7.810
Any Feature Win Hit Rate:	1 in 122
